

### Message from Dara Calleary TD Minister for Rural and Community Development and the Gaeltacht

Welcome to the 2025 Kilgarvan Agricultural Show

As Minister for Rural and Community Development and the Gaeltacht, I am delighted to be in a position to support the Kilgarvan Agricultural Show for 2025. My department will again this year provide €1 million to over 120 other agricultural shows combined across the country. including your own event here in Kilgarvan.

Ní hamháin gur ceiliúradh ar shaol na tuaithe agus ar thraidisiúin na tuaithe iad seónna, is ceiliúradh freisin iad ar an nuálaíocht agus ar scoth na tuaithe. Déanann na seónna ceiliúradh freisin ar atá i gceist agus ar an tábhacht atá le Meitheal a bhfuil rath na bpobal seo ina croílár.

Like the show here in Kilgarvan, each local show around the country continues to be a key social event in the agricultural calendar. They have so much to offer, not just in terms of the competitions that are taking place here today, but also for the platform they provide to local businesses, local farmers and for local craft and artisan food producers. The local show is also one of the best days of the year for meeting neighbors and friends.

Your local shows provide a great link between our towns and villages and the rural hinterlands that support them. A place where exhibitors, producers, farmers and the wider public meet face to face to share all that is good about life in the countryside.

Each of the shows taking place this year have something special that makes them stand out from the rest. It may be the pedigree livestock competitions or perhaps the exhibitions and food offerings. Whatever it is, your local agricultural show has something for everyone.

I would like to acknowledge the work that goes on for many months behind the scenes to bring this show to fruition. The efforts of committee members and local volunteers is a testament to how much this show means to the locality. Of course there is a sense of local rivalry for those much coveted titles and awards but it is always in the very best of spirits. The way in which neighbouring farms and parishes come together to support each other is a key component of country life. This sense of Meitheal is always on display as part of the local show.

Today is a chance to take a break from the busy farming schedule this time of year. I hope those of you attending the show this year thoroughly enjoy the day and that it gives everyone a chance to celebrate all that is good about rural Ireland. I will be visiting a number of the shows around the country and meeting as many of you as I can.

Dara Calleary TD Minister for Rural and Community Development and the Gaeltacht

Dara Calleon.

### **Department Of Agriculture, Food & the Marine Note for Information regarding Movement of Bovine to Shows**

The Department of Agriculture implemented a number of changes on  $4^{\text{th}}$  February 2019 which changed the procedures & criteria applicable when applying for a Certificate of Compliance for the movement of cattle. These also impact on the certificate which is required when moving bovine to a Show.

### The following sets out the criteria applicable:

- The movement of cattle to & from an Agriculture Show within the State must be recorded on the Animal Identification & Movement System (AIM)
- In line with these changes a specific certificate of Compliance for the "Movement of Bovine from a Single Holding to a Show" must now be requested prior to the movement of animals concerned.
- These certificates can be created by applying on-line using their agfood account <u>OR</u>
  where the keeper is not online the certificate can be generated by the local Regional
  Veterinary Office following receipt of a NBAS31K with issue of the certificate being subject
  to normal criteria applicable. This form will be available on the Department's Website &
  will also be included with the Show Circular when issued.
- When applying for this certificate the destination herd/or Show number is not required.
   The certificate generated will include an "S" symbol.
- The Certificate of Compliance for a Show will continue to be valid for a period
  of up to 30 days. As is currently the case these can be used for the movement of
  animals to a number of shows during the validity period of the certificate.
- Please note calves which are less than 10 days cannot be moved to a show.

As is currently the case, the Movement Notification Section of the Certificate should be completed by the Keeper and the Show Secretary who must clearly indicate the Show Number. The Show movement should be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary. If the animals move to a herd other than the source herd, the new destination herd must complete and sign the certificate also.

### Completed forms should be sent by the Show Secretary to the local RVO within 7 days of the Show.

On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary. The Keeper & the Show Secretary will then sign the Movement Notification section of the Certificate which will then be sent to the local RVO for recording onto the AIM system

The Kilgarvan Show Committee, acting by itself or through its agents/Officers, reserves the right to reject or cancel any entry or entries made by or on behalf of any person, corporate or other entity and may direct the removal of any animal or other exhibit from the showing ring or display area and or from the Showground, if the Committee and or its Agents/Officers shall deem it fit to do so, without offering any explanation or reason for so doing and without incurring any liability whatsoever to any such Applicant/Exhibitor or his/her/its agent.

Please observe signs — especially those relating to caution in the livestock area. Please do not exhibit animals that are unsuitable with regard to safety e.g., hard to control. All animals must be led by a competent handler and animals should not be tied to trailers or unsafe items. Exhibitors of animals are requested to have their own insurance cover & public
