

Message from Minister Heather Humphreys

Welcome to the 2024 Kilgarvan Agricultural Show

I am delighted that my Department will once again provide funding to support this show and indeed to support over 120 agricultural shows across the country. This is the second year where we have provided a record investment of €1 million across all of the shows. The total funding provided by the Department of Rural and Community Development for agricultural shows since 2018 is now over €4.3 million. I know that this is money well spent.

Our agricultural shows play a vital role in community life and raise awareness of the important role agriculture plays in our society. These shows are the threads that build bridges between our towns and villages, and the hinterlands that support them. They act as a platform for local producers to showcase their products and have become a key date in the calendar for the farming community, local producers and visitors to engage, share ideas, and experience all that is good about life in the country.

Each show has its own unique offering and such is the interest in these shows, I understand that exhibits increased by 15% last year. It is great to see the growing interest in these wonderful events. Entrants travel from neighbouring counties and beyond to compete, as do the many thousands of spectators who have an interest in livestock and the farming way of life.

It should be acknowledged that without the ongoing efforts of the show committee, volunteers, sponsors, local businesses and local organisations that play a role in each of these shows, the shows would just not happen. I want to thank all of you for your continued contribution. This really demonstrates the importance of communities working together, something that we are so fortunate to have in spades here in rural Ireland, where everyone looks out for each other.

I hope to attend a number of the shows around the country this year and I look forward to personally meeting many of you throughout the summer as we all enjoy what the Agricultural Shows have to offer.

Go n-éirí go geal libh!

Department Of Agriculture, Food & the Marine

Note for Information regarding Movement of Bovine to Shows

The Department of Agriculture implemented a number of changes on 4th February 2019 which changed the procedures & criteria applicable when applying for a Certificate of Compliance for the movement of cattle. These also impact on the certificate which is required when moving bovine to a Show.

The following sets out the criteria applicable:

- The movement of cattle to & from an Agriculture Show within the State must be recorded on the Animal Identification & Movement System (AIM)
- In line with these changes a specific certificate of Compliance for the "Movement of Bovine from a Single Holding to a Show" must now be requested prior to the movement of animals concerned.
- These certificates can be created by applying on-line using their agfood account **OR** where the keeper is not on line the certificate can be generated by the local Regional Veterinary Office following receipt of a NBAS31K with issue of the certificate being subject to normal criteria applicable. This form will be available on the Department's Website & will also be included with the Show Circular when issued.
- When applying for this certificate the destination herd/or Show number is not required. The certificate generated will include an "S" symbol.
- **The Certificate of Compliance for a Show will continue to be valid for a period of up to 30 days.** As is currently the case these can be used for the movement of animals to a number of shows during the validity period of the certificate.
- **Please note – calves which are less than 10 days cannot be moved to a show.**

As is currently the case the Movement Notification Section of the Certificate should be completed by the Keeper and the Show Secretary who must clearly indicate the Show Number. The Show movement should be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary. If the animals move to a herd other than the source herd, the new destination herd must complete and sign the certificate also.

Completed forms should be sent by the Show Secretary to the local RVO within 7 days of the Show.

On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary. The Keeper & the Show Secretary will then sign the Movement Notification section of the Certificate which will then be sent to the local RVO for recording onto the AIM system

The Kilgarvan Show Committee, acting by itself or through its agents/Officers, reserves the right to reject or cancel any entry or entries made by or on behalf of any person, corporate or other entity and may direct the removal of any animal or other exhibit from the showing ring or display area and or from the Showground, if the Committee and or its Agents/Officers shall deem it fit to do so, without offering any explanation or reason for so doing and without incurring any liability whatsoever to any such Applicant/Exhibitor or his/her/its agent.

Please observe signs – especially those relating to caution in the livestock area. Please do not exhibit animals that are unsuitable with regard to safety e.g., hard to control. All animals must be led by a competent handler and animals should not be tied to trailers or unsafe items. Exhibitors of animals are requested to have their own insurance cover & public
